2026/2027 ADMISSION REQUIREMENTS

The harmonized minimum subject entry requirements for National Diploma (ND) Programmes using the National Board for Technical Education (NBTE) 2024 Reviewed Guidelines, submissions from the Heads of Departments with the corresponding subject combinations in the Unified Tertiary Matriculation Examinations (UTME) and acceptable National Diploma Courses for Higher Diploma Programmes in the 2026/2027 Academic Session, are as shown in the table overleaf:

GENERAL GUIDELINES

1. WASC/NECO/GCE O'level/SSCE/NABTEB Examination with Five (5) Credit Passes in subjects relevant to the Programme at not more than two (2) sittings;
2. ***NABTEB - National Technical Certificate (NTC)with relevant Trade Name*** *would be accepted for admission* ***and not*** *NABTEB- National Business Certificate (NBC)or NABTEB – General Education Certificate (NGC) for anybody using NABTEB Result(s)in the School of Industrial Engineering Technology.*
3. ***NABTEB- National Technical Certificate(NTC) and NABTEB-General Education Certificate (NGC)****would be accepted for admission in the School of Agriculture and Agricultural Technology and School of Computing, Information and Communication Technology.*
4. ***NABTEB- National Business Certificate (NBC)*** *would be accepted for Admissions in the School of Business Studies and School of Financial Studies.*
5. ***NABTEB- National Technical Certificate (NTC)*** *would accepted for admissions in the School of Environmental Studies.* ***NABTEB-General Education Certificate (NGC****) would also be acceptable for admission in some courses as indicated in the course requirements.*
6. All candidates applying for programmes in the Institution must obtain credit level passes in Mathematics and English language. Literature in English language or oral English cannot be used in place of English language.
7. ***It should be noted that online O'Level results/NABTEB printout exceeding 12 months will not be acceptable for clearance of admitted Candidates. In addition, any admitted candidate using NABTEB (NTC) online result will be required to present a confirmation document from NABTEB indicating the core trade component of the result before being considered for clearance.***
8. ***Likewise, any applicant below the age of 16 years as at 30th September, 2026 will not be eligible for consideration.***

3	Taxation	The Minimum entry requirements for admission into National Diploma (ND) in Taxation are Five (5) Credit passes in WASC/NECO/GCE O'level/SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1. English Language (Literature- in- English and Oral English are not acceptable in place of English Language) 2. Mathematics 3. Any three (3) of the following: Geography, Government/Civic Education/History, Agric. Science/Animal Husbandry/Biology/Chemistry Science/Physics, Economics, Commerce/Marketing, Principles of Accounts/Bookkeeping/Financial Accounting, ICT/Data Processing/Computer Studies, Business Method/Business Studies, Social Development/Social Studies/CRS/IRS. **OR** **NABTEB- National Business Certificate (NBC)** General Education with five (5) Credit Passes in the above subject	**UTME Subject Requirements:** -English Lang; - Mathematics; - Any two (2) from Geography, Commerce, Government, Principles of Accounts, Economics.

S/N	PROGRAMME	SUBJECT REQUIREMENTS	UTME SUBJECT COMBINATIONS
1	Electrical and Electronic Engineering	The Minimum entry requirements for admission into National Diploma (ND) and Higher National Diploma (HND) in Electrical and Electronic Engineering are Five (5) Credit passes in WASC/NECO/GCE O'level /SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1. English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus any one (1) of the following: Technical Drawing, Further Mathematics, Economics, Geography, Electrical Installation, Computer studies, Electrical Works, Appliance Maintenance & Repairs, and Basic Electronics/ Electricity. **OR** **NABTEB - National Technical Certificate (NTC)** in relevant trade such as Electrical Installation and Maintenance Works, Electronic works/Electronic System Maintenance, Basic Electricity, Applied Electricity, Instrument Mechanics, Appliance Maintenance & Repair, Radio, Television and Electronics Servicing and not in trade areas such as: Book Keeping, Commerce, Secretariat Studies, Accounting, Data Processing / ICT. **National Diploma Course that qualifies a candidate for admission into HND:** National Diploma in ***Electrical/Electronic Engineering*** from a recognized Polytechnic or a similar Higher Institution of Learning.	**UTME Subject Requirements:** -English Lang; - Mathematics; - Physics; - Chemistry.
2	Mechanical Engineering	The Minimum entry requirements for admission into National Diploma (ND) and Higher National Diploma (HND) in Mechanical Engineering are Five (5) Credit passes in WASC/ NECO/ GCE O'level or its equivalent (Teachers Grade II) /SSCE/ NABTEB at not more than two (2) sittings. The subject must include: 1. English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus any one (1) of the following: Biology, Agricultural Science, Further Mathematics, Economics, Statistics, Technical Drawing, Auto-Mechanics, Metal Work. **OR** **NABTEB-National Technical Certificate (NTC)** with five (5) credit passes which must include Mathematics, Integrated Science, Physical Science, English Language, and in the Mechanical Trade Areas. **National Diploma Courses that qualify a candidate for admission into HND:** National Diploma in ***Mechanical Engineering Technology*** from a recognized Polytechnic or a similar Higher Institution of Learning.	**UTME Subject Requirements:** - English Lang. - Mathematics; - Physics; - Chemistry.

S/N	PROGRAMME	SUBJECT REQUIREMENTS	UTME SUBJECT COMBINATIONS
3	Welding and Fabrication Engineering Technology	The Minimum entry requirements for admission into National Diploma (ND) in Welding and Fabrication Engineering Technology are Five (5) Credit passes in not more that two (2) sittings in WASC/NECO/GCE O'level/ SSCE/ NABTEB, GCE O'level or its equivalent (Teachers Grade II) at not more than two (2) sittings. The subjects must include: 1. English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus one (1) other subject from: Biology, Agricultural Science, Further Mathematics, Economics, Statistics, Technical Drawing, Auto-Mechanics and Metal Work. **NABTEB-National Technical Certificate (NTC)** with five (5) credit passes which must include Mathematics, Integrated Science, English Language, and in the Welding and Fabrication Trade Areas.	**UTME Subject Requirements:** - English Lang; - Mathematics; - Physics; - Chemistry
4	Mechatronics Engineering Technology	The Minimum entry requirements for admission into National Diploma (ND) in Mechatronics Engineering Technology are Five (5) Credit passes in not more than two (2) sittings in WASC/NECO/GCE O'level/ SSCE/ NABTEB at not more than two (2) sittings. The subjects must include: 1. English Language (2) Mathematics (3) Physics 4. Chemistry 5. Any one from any science subjects: Biology/Agricultural Science/Animal Husbandary, Further Mathematics, Data Processing, Computer Studies, Technical Drawing, Economics/Geography. **OR** **Five credit pass in National Technical Certificate (NTC) issued by NABTEB in;** **i.** General Education Subjects; English Language, Mathematics, Physics, Chemistry ii And **Core Engineering Trade** subjects such as Electrical Installation, Metal Work, Auto Mechanics, Electronics Works/Electronics system Maintenance, Instrument Mechanics, Appliance Maintenance and Repairs, Basic Electricity, Applied Electricity, ICT, Computer Programming, and Data Processing and **Not** in trade areas such as book keeping, commerce, secretariat Studies, Accounting.	**UTME Subject Requirements:** - English Language; - Mathematics; - Physics; - Any other science subject (i.e. Chemistry, Biology or Agricultural Science, Computer Science)

S/N	PROGRAMME	SUBJECT REQUIREMENTS	UTME SUBJECT COMBINATIONS
1	Agricultural and Bio-Environmental Engineering	The Minimum entry requirements for admission into National Diploma (ND) and Higher National Diploma (HND) in Agricultural and Bio-Environmental Engineering are Five (5) Credit passes in WASC/ NECO/GCE O'level/SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1. Mathematics (2) English Language (3) Physics (4) Chemistry 5. Any one (1) of the followings: Technical Drawing, Biology, Agricultural Science, Animal Husbandry, Further Mathematics, Crop Production/Computer Science, Geography, Economics. **OR** **NABTEB - National Technical Certificate (NTC)**. **National Diploma Courses that qualify a candidate for admission into HND:** National Diploma in ***Agricultural Engineering, Agricultural and Bio-Environmental Engineering Technology*** from a recognized Polytechnic or a similar Higher Institution of Learning	**UTME Subject Requirements:** - English Lang; - Mathematics; - Physics; - Chemistry.
2	Civil Engineering	The Minimum entry requirements for admission into National Diploma (ND) and Higher National Diploma (HND) in Civil Engineering are Five (5) Credit passes in WASC/NECO/ GCE O'level/ SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1 English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus any one (1) of the following: Geography, Economics, Further Mathematics,Technical Drawing, Building Construction, Woodwork, Metal Work, Statistics, Computer Studies, ICT or Data Processing. **OR** **NABTEB - National Technical Certificate (NTC)** which must include English Language, Mathematics, Physics, Chemistry and any one (1) related trade subject from Block Laying, Building Drawing, Technical Drawing, Building Construction, Woodwork, Metalwork, Carpentry and Joinery, Plumbing and Pipe Fitting, Building Technology, Concrete Technology. **National Diploma Course that qualifies a candidate for admission into HND:** National Diploma in ***Civil Engineering*** or **Water Resources Engineering Technology** from a recognized Polytechnic or a similar Higher Institution of Learning.	**UTME Subject Requirements:** - English Lang; - Mathematics; - Physics; - Chemistry.

S/N	PROGRAMME	SUBJECT REQUIREMENTS	UTME SUBJECT COMBINATIONS
3	Mineral and Petroleum Resources Engineering Technology	The Minimum entry requirements for admission into National Diploma (ND) and Higher National Diploma (HND) in Mineral and Petroleum Resources Engineering Technology are Five (5) Credit passes in WASC/NECO/GCE O'level/ SSCE/NCC/ NABTEB at not more than two (2) sittings. The subjects must include: 1. English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus any one (1) of the following: Biology/Agricultural Science/Animal Husbandry, Further Mathematics, Technical Drawing, Geography, Economics, Basic Electronic/Electricity, Auto Mechanics, Metal Work. **OR** **NABTEB-National Technical Certificate (NTC)** General Education with five (5) Credit Passes in the above must have a Credit Pass in the Trade Areas. **National Diploma Courses that qualify a candidate for admission into HND:** National Diploma in ***Mineral and Petroleum Resources Engineering Technology and other related Disciplines*** *from* a recognized Polytechnic or a similar Higher Institution of Learning.	**UTME Subject Requirements:** - English Lang; - Mathematics; - Physics; - Chemistry.
4	Water Resources Engineering Technology	The Minimum entry requirements for admission into National Diploma (ND) in Water Resources Engineering Technology are Five (5) Credit passes in not more that two (2) sittings in WASC/NECO/GCE O'level/ SSCE/ NABTEB at not more than two (2) sittings. The subjects must include: 1. English Language (2) Mathematics (3) Physics (4) Chemistry 5. Plus any one (1) of the following: Biology, Agricultural Science, Economics, Geography, Technical Drawing, Fine Art, Woodwork, Metal work, Auto-Mechanics, Basic Electronics, Basic Electricity, Building Construction. **OR** **NABTEB-National Technical Certificate (NTC)** with five (5) credit passes which must include Mathematics, Integrated Science, English Language, and in the Mechanical Trade Areas	**UTME Subject Requirements:** - English Lang; - Mathematics; - Physics; - Chemistry

S/N	PROGRAMME	SUBJECT REQUIREMENTS	UTME SUBJECT COMBINATIONS
1	Animal Production Technology	The Minimum entry requirements for admission into Higher National Diploma (HND) in Animal Production Technology are Five (5) Credit passes in WASC/NECO/GCE O'level/SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1. English language (2) Mathematics (3) Biology/Agric. Science/Animal Husbandry (4) Chemistry 5. Any one (1) of the following: Geography, Physics, Economics/Commerce, Food and Nutrition **NABTEB -National Technical Certificate (NTC) and National General Education (NGC)** General Education with five (5) Credit Passes in the above subjects **National Diploma Courses that qualify a candidate for admission into HND:** National Diploma in ***Agricultural Technology, Fisheries Technology, Animal Health and Production.*** from a recognized Polytechnic or a similar Higher Institution of Learning.	**Not Applicable**
2	Agricultural Extension and Management	The Minimum entry requirements for admission into Higher National Diploma (HND) in Agricultural Extension and Management are Five (5) Credit passes in WASC/NECO/GCE O'level/SSCE/NABTEB at not more than two (2) sittings. The subjects must include: 1. English language (2) Mathematics (3) Biology/Agric. Science/Animal Husbandry (4) Chemistry 5. Any one (1) of the following: Geography, Economics, Statistics, Physics. **NABTEB -National Technical Certificate (NTC) and National General Education (NGC)** General Education with five (5) Credits Passes in the above subjects **National Diploma Courses that qualify a candidate for admission into HND:** National Diploma in ***Agricultural Technology, Fisheries Technology, Animal Health and Production, Crop Production, Horticultural Technology, Forestry & Environmental Technology(Forest Technology), Wood & Paper Technology, Agric & Bio- Environmental Engineering Technology, Produce & Post harvest Technology, Wildlife and Eco – Tourism Management, Irrigation Agronomy Technology, Home& Rural Economics, Veterinary Laboratory Technology*** from a recognized Polytechnic or a similar Higher Institution of Learning.	**Not Applicable**
